Dear Parents/Guardians,

The World Language Department has prepared a very short survey to obtain information about our K-5 elementary language program as part of the department's participation in the Five Year Plan for Curriculum Review. We would appreciate your completing the on-line survey at your convenience. We plan to compile the results before the end of the year. Your input will be important as we plan for the future in the areas of curriculum and assessment. We thank you in advance for your participation.

Please click on the following link to fill out the survey:
