

Cell Phone Alert!

Parents should note that it is against district policy for students in the elementary schools to have cell phones in school or on the bus. This is clearly stated on page 17 of the *Elementary Student Handbook* that every family received on the first day of school.

If you have supplied your child with a cell phone, please be sure he or she **does not bring it to school.** If you have any questions about this policy, please feel free to contact me.
