

You are invited to a Community Conversation on School Readiness & Children's Health

How do we ensure that all of West Hartford's children reach school healthy and ready to learn?

This Community Conversation will provide a forum by invitation only for parents, organizations, individuals, community leaders and business people who live and work in West Hartford to discuss children's health, school readiness and how to meet family and community needs.

Join us on Tuesday, February 24, 2009
