

## West Hartford Public School District

**Agenda Item:** Charter Oak International Academy Building Project Update  
Draft Schematic Design Presentation

**Meeting Date:** December 17, 2013

**From:** Tom Moore, Assistant Superintendent for Administration

**Through:** Karen L. List, Superintendent

### **Background:**

The architecture firm of Perkins Eastman will present a draft schematic design and site layout for the new Charter Oak International Academy. Since the last Board update, Perkins Eastman has refined the design concepts presented at the November 6 meeting into a single building and site layout. The draft design and site layout was presented to faculty and the community on Monday night, December 16<sup>th</sup>.

The goal of tonight's meeting is to review the design direction so that the architect can develop a detailed schematic drawing for cost estimation purposes in the next 6 weeks. In February, the architect will present the complete schematic design for approval, together with a detailed cost estimate, which shall be provided by the Construction Manager.

Tom Moore, Chip Ward, Bob Palmer, Hugh Schweitzer, and Perkins Eastman will be available to answer questions.

**Agenda Item:**  
**VI. B. 1.**
