Safety of Buildings and Grounds

Buildings constitute one of the greatest investments of the Town and school system. It is in the interest of students and taxpayers to protect that investment adequately.

The Superintendent of Schools is directed to establish such rules and regulations as may be needed to provide for security in the sense outlined below:

1. Minimizing fire hazards and to comply with fire code
2. Reducing the probability of faulty equipment
3. Guarding against the chance of electrical shock
4. Keeping records and funds in a safe place
5. Protection against vandalism and burglary
