

Personnel - CertifiedDismissal/SuspensionDismissal

No certified employee shall be dismissed from the service of the school system without cause. Procedures for termination shall be those itemized in C.G.S. 10-151(b).

Suspension

A certified employee may be suspended by the board of education for an alleged or actual violation of any of the reasons for termination in C.G.S. 10-151(d). The superintendent may suspend an employee pending board action when, in the opinion of the superintendent, continuation of the employee in the position presents a clear danger to the students, staff, property or reputation of the school system, or to the employee.
