

Bylaws of the BoardPolicy Statement on Racial Balance

The West Hartford Board of Education is committed to offering equal educational opportunity to all children in the West Hartford Public Schools. This commitment is consistent with the Board of Education's own mission statement and with Connecticut General Statute Section 10-4a which guarantees "that every child shall have...an equal opportunity to receive a suitable program of educational experience."

The Board is committed to attaining a racial balance within all school communities that reflects the racial balance of West Hartford schools overall. This commitment is consistent and compliant with Connecticut General Statute Section 10-226e. Further, the Board recognizes that the development and implementation of this plan is a matter of community concern and as such is a responsibility shared by all West Hartford's residents.
