The number of slots at Charter Oak Grade K will vary depending on how many students move on from PK4 into Kindergarten, thus a range is posted here. All these numbers are subject to change based on enrollments.

All students including siblings of existing Charter Oak and Smith students need to apply through the magnet lottery process. Siblings of existing Charter Oak and Smith students will be given priority in the 2017-18 magnet lottery. Due to the limited number of openings at the Smith PK4 program, there is no sibling preference at this grade only.

PK3 spaces at Charter Oak are open to students with birthdates between January 2, 2014 and January 1, 2015. PK4 spaces at Charter Oak and Smith are open to students with birthdates between January 2, 2013 and January 1, 2014.

Students may apply to one magnet school.
