

If you already shop at Stop & Shop, why not do so and raise money for Duffy at no extra cost to you....

Duffy "Fund-It"

What's Duffy Fund-It?

You purchase Stop & Shop gift cards – at face value - through Duffy Fund-It, and the PTO receives 5% of the gift card proceeds back from Stop & Shop. Fund-It is one of Duffy PTO's primary fundraising activities, raising money for its educational-support efforts in our school.

How it works:

- You tell us what amount of Stop & Shop gift cards you would like to receive monthly, good for groceries or gas at Stop & Shop, in increments of \$50.
- We send your gift cards home with your student at the beginning of each month.
- You pay Fund-It after receiving the cards each month, via secure direct bank debit or by check.
