

May 3, 2018

Dear Webster Hill Families:

We are beginning the process of creating student placements for the 2018-2019 school year. Webster Hill uses a collaborative approach to making the best possible decisions regarding all children. As classes are organized, the classroom teachers, the special area and pupil service teams, our curriculum specialist, and I are part of the process and offer valuable contributions. Our priority is setting up all children for success. We value your input and offer you an opportunity to share information you feel we should know about your child and the kind of learning environment in which he or she works best. If you choose to write a letter, it must be completed and returned to me **by May 25** (hard copy or email). We consider parent input to be a very important factor; however it is not necessary for all families to write a letter. I must insist that no parent may request a specific teacher. Communication shared after classes have been formed will not be considered. Changes impede our ability to achieve the necessary balance across each grade. Please respect the decisions and insights of the skilled staff in making the best educationally sound placement for your child and for all children.

It's the time of year where we collect other information in preparation for the 2018-2019 School Year. School goals and initiatives are formed over the summer and we use information collected from parent, staff and student surveys. Please take some time and complete the parent survey by May 11. Your input is valued and is an important part of our model of continuous improvement.

### **Rethinking School Start Time Committee**

#### **UPDATE**

#### **New Dates: Stakeholder Surveys/Family Information Night**

The Rethinking School Start Time (RSST) Committee which consists of a group of volunteer parents, students, teachers and administrators, is studying the issue of changing school start times. At the request of the Board of Education, the committee is examining the impact a change will have on all aspects of the educational program.

One important aspect of the committee's work is to gather information from stakeholders. To that end, the committee will issue a survey for parents, teachers, and secondary school students. Originally, the committee planned to administer the surveys in February and March. The committee has secured the services of the Hanover Research Group to support the creation of a survey personalized to West Hartford's needs. Hanover will administer the survey and work with the RSST Committee to analyze the results. ***The new survey window is May 1-May 15. A Family Information Night will held at 7:00 p.m. on May 3 in the auditorium at Town Hall, 50 South Main Street.***

The survey and family information night are two ways for stakeholders to communicate their questions, comments and concerns about this important issue. If you prefer to use email, please direct any comments to [RSST@whps.org](mailto:RSST@whps.org). You are always welcome to attend a Board of Education meeting and address the Board of Education members in person during the public comment portion of the meeting.

## Celebrate

## With Us!

**Strap on your helmets, raise your kick-stands, and join us in this year's Bike/Walk to School Day on Wednesday, May 9.**

We invite Webster Hill family and friends to join us on **May 25<sup>th</sup>** for our new annual tradition, the **Butterfly Dash**. This event will promote health and fitness, while giving students the opportunity to raise funds for our school to support a new program that will be implemented, called Makerspace. The purpose of this program is to use a designated space in our school to encourage students to be hands-on and creative. This program will allow our students to design, experiment, build, and invent, focusing on science, technology, engineering, and math. On **May 25<sup>th</sup>**, students will run laps outside on the field in the back of Webster Hill School. They will be running by grade and will have 15 minutes to run/walk as many laps as they can while listening to music and to the cheers of their peers, family and friends. After they run their laps, they will have a break for snack and water, and then will enjoy a fun filled and challenging obstacle course. Each student will raise funds by asking family and friends to sponsor them based on the number of laps they pledge to run or walk. Sponsors will pledge a flat donation to support their lap goal. With your help, we are looking to meet and exceed our school wide fundraising goal of **\$10,000**. *This year, we are encouraging parents to ask for company matching donations. If you donate, ask your Human Resources office to match your donation. This may help us achieve our fundraising goal more easily.*

- ✓ Students will also have an opportunity to engage in fun activities, as we collectively move closer to our fundraising goal.
- ✓ Your **pledge paperwork** will be coming home with your child on **Wednesday, May 9<sup>th</sup>**. You will be able to make your donation by cash/check on-line.

**Co-Presidents Message**

Spring has finally sprung! Greetings Webster Hill Families, Happy Spring! As you may already know, the PTO has several open positions for our upcoming 2018/19' school year that need to be filled. The PTO is a completely volunteer-driven organization that works very hard to enhance our Webster Hill Community by providing cultural as well as family events for everyone to enjoy. While we'd all like to see these events that our children, as well as ourselves, have come to enjoy continue, they are at risk of not being held, if these crucial positions are not filled. If you are interested in volunteering for a position, please fill out the volunteer form that was sent home last week; send it back to school with your child and someone from our PTO will contact you. Our next PTO meeting will be May 14th, at 6 p.m., in the library. We will have an open house during this meeting for you to ask questions and speak with our current members. Questions? Contact Jeannette and Lin at [Webhillpto1@gmail.com](mailto:Webhillpto1@gmail.com). Thank you for supporting our Web Hill Community! – Jeannette & Lin

Hope to see you tonight!

**Teacher Appreciation Week May 7th-May 11th**

The PTO sponsors this busy week, during which we show appreciation for our hard working, dedicated teachers. Room parents will be helping to coordinate the week with their respective classrooms. A flyer will be coming home with the details for the week.

Children are natural creators. Arts Camp is all about children having fun and expressing themselves. Budding artists will spend their days creating art through a multitude of hands-on experiences that teach new skills. Their imaginations and creativity result in an array of projects. Campers receive individualized attention as they design and are exposed to different art mediums and materials.

Half-day and full-day options are available. Full-day campers pack a lunch, enjoy additional art time, swim indoors and climb on the playscape. Fridays end with a reception displaying the children's art.

A lunch option provided by Café J is available.
