WHAT: Laboratory nursery school

- An integral part of the Introduction to Early Childhood & Early Childhood Careers and Education courses at Hall within the Family and Consumer Sciences Department.
- Students from grades 9-12 will be working with the children under the supervision of Child Development teacher, Marcia Harrington. Each student may be responsible for up to two children.

WHEN *

Tuesday and Thursday

Fall Session: Oct 8 —Dec 17

9:30—11:30*

Spring Session: .Mid-March to

Mid May *

9:15-10:45

* Schedule will fluctuate according to the West Hartford Public Schools' schedule.

WHERE

Room E112 at Hall High School.

Easy access from the front entry, straight down the hallway, with a handicapped ramp available for strollers.

HOW

Curriculum is flexible to accommodate the needs of children ages 2 ½ to 4 ½. Effort is made to extend the learning of each child.

Fall session has a different theme each class period.

Spring session has a daily theme based on a children's book.

Class size is limited to 20 children . Space is offered on a first come, first served basis; early reservations are advised.

COST

\$100.00 per child each session which covers basic materials used during Playschool.

For more information, call Ms. Marcia Harrington at 860-232-4561 ext. 6370

Come and Play

Our goal is to provide a variety of learning environments for children to discover and explore. As a result of these experiences, we hope they develop skills and gain knowledge in both social and cognitive areas.
