

WEST HARTFORD PUBLIC SCHOOL DISTRICT

Agenda Item: Approval of Plans and Specifications for Hall High School Science Laboratory Classrooms

Meeting Date: February 6, 2018

From: Andrew Morrow, Assistant Superintendent

Through: Tom Moore, Superintendent

Recommendation:

That the Board of Education approve the early release packages of plans and specifications dated November 17, 2017 for the Hall High School Science Laboratory Classrooms.

Background:

Plans and specifications for the Hall High School Science Laboratory Classrooms have been prepared and require Board approval prior to state review. The plans and specifications meet the requirements laid out in the educational specification for the project approved by the Board on June 7, 2016. The current cost estimate for the addition and renovation is within the available \$12.8 million appropriation. The plans will be submitted to the State of Connecticut in early February, 2018 for their approval. Bidding for the early release package will occur shortly thereafter with construction commencing in spring, 2018.

Andrew Morrow and Bob Palmer will be available to answer questions.
