

West Hartford Public School District

Agenda Item: Technology Update
Meeting Date: April 17, 2018
From: Jared Morin, Director of Technology
Through: Tom Moore, Superintendent of Schools

Background:

Jared Morin, Director of Technology, will provide an overview regarding the district's Information Technology Department, inclusive of cyber security and data protection measures currently in place. Craig Diamond, Educational Technology Specialist, will showcase teacher and student technology resources currently in use throughout the district.

Mr. Morin and Mr. Diamond will be available to answer questions.

**Agenda Item:
VI. B. 3.**
